

DON MOUTH NATURALIZATION & PORT LANDS FLOOD PROTECTION PROJECT (DMNP)

Environmental Assessment (EA) next steps.

Subject to the input gathered during the final Public Information Centre on January 27, 2010, the DMNP EA team will:

- Complete the draft EA Report
- Release a draft of the EA for a 30 day public and agency review in Spring 2010
- Officially submit the EA for approval to the Ministry of the Environment in summer 2010
- Officially submit the Federal EA for approval in late summer or early fall 2010
- EA approvals anticipated by Spring 2011
- Detailed design and construction is dependent on funding availability
